- This plan takes you through the **entire Bible one time in two years**, to have more time to think and pray over each passage in your daily time with God (the Author who loves you).
- **Chronologically through the Old Testament.** Accompanying **New Testament passages every day**: either related to the Old Testament passage, or continuing the New Testament passage from the day before.
- **Six reading days per week.** Sundays are free to look back over the week and **share impactful verses** with an accountability partner or group, reflect and pray, or catch up.
- **The readings end in early December each year** to avoid the holiday crunch. There are optional holiday season readings in green: in 2019, prophecies and their fulfillments by Jesus; in 2020, encouraging memory verses to meditate on. The passages in green are all duplicates from the rest of the year.
